Dear Families,

Liberty Gymnastics celebrates its fourth anniversary as it closes out a very exciting year. Liberty was voted the Bay Area Parent Magazine's Best of the Best of 2009 with the help of all of our loyal customers. Our recreational students were able to compete in the Liberty Championships in June; showing off their skills to the judges and parents, and summer marked many cosmetic improvements to our facility. Along with the annual deep cleaning of our carpets Liberty received fresh paint and renovated bathrooms. October marks our annual Halloween Party and in December we will participate in the Martinez Children's Light Parade. Our Christmas Show will also be in December, which will also include partnering with local organizations to benefit the less fortunate such as, the Monument Crisis Center. Please read our newsletter closely and direct any questions you may have to the front office or e-mail them to:

Liberty Staff

## Girls Go To Karolyi Camp

Liberty sent two of their athletes to the National Training Camp in Texas. They tested for a spot on the National TOPs Team. Both girls hope to qualify to camp so that they will have an opportunity to train for five days with the national staff. We wish both girls the best!

## Flu Season

In preparation for the flu season we would like to inform parents of our policies regarding ill students. Children will be asked to refrain from participating in class for the following reasons:

- \*Severe Cough
- \*Fever
- \*Runny Nose
- \*Stomach Ache

We take many precautions to keep our facility clean and sanitary. Please remind your children to wash their hands thoroughly before returning to class.

## Transferring Classes

Class transfers will be available in Week 8 prior to the new session. Openings are on a first come first serve basis. If you need to change class times or days you must contact the office for availability in week 8 of each session.

Tuition is due in week 8 for the new session in order to ensure your spot. If you need to transfer to another class, we encourage you to do so during week 8. Transfers during the new

session will be charged a \$10 fee per child. Thank you for your support.

## NESTLINGS

Nestlings will be a new baby-friendly class on our schedule starting in October. Crawling babies will be able to crawl up and down different obstacles as well as pull up in a safe environment. Babies will bring an adult guardian and scoot through the gym for 30 minutes. This class will be taught by Amanda Donner starting on Thursday morning at 9:15 am.
