

Dear Liberty Families,

Welcome back to Liberty Gymnastics for our fall session; Session 5 dates are August 30-October 23. The gym will be closed on Labor Day weekend September 4-6.

This fall we will be creating a fun thematic learning environment for our Liberty Kids entitled "Under the Big Top." Along with correct gymnastic technique we will be creating a spectacular circus event. They will be balancing across an imaginary tightrope, leaping through a ring of fire, and perfecting their acrobatic skills.

Liberty's grand finale will be our 5th Anniversary Circus Carnival Celebration on Sunday October 17. Our gym will be open to members and non-members to participate in exciting activities such as carnival games, edible delights, gym-fun; special performances and a WHOLE LOT more. (Admission is free; some activities will require a fee)

October will close out with our annual Halloween Party on Friday, October 29th from 6:30-10:00 pm. Children will receive more information for this event as we get closer.

We look forward to another great year with you and your family!

Best,

Liberty Gymnastics Training Center Staff
