

POLICIES

Registration

A \$40/Family registration fee is due at initial registration and on your family registration anniversary thereafter. This fee will be charged to your credit card at the time the front office completes the registration process. Members receive \$25 discount on Birthday Parties.

Tuition

For New Enrollment, tuition is prorated based on the number of classes remaining in the current month. *If you would like to sign up for a future month, you must wait until at most 6 days prior to the start date to enroll. Pre-enrollment more than 6 days ahead of your start date is not allowed.*

Tuition is based on 48 classes for the year. Some days of the week for a given month may have more/less classes than other days of the week for the same month. However, the average number of classes per month throughout the year is roughly the same for a given day of the week. Note: due to Holidays and events, Friday and Saturday have a couple less classes per year than other days of the week. In order to simplify the billing and payment process for customers, the same tuition fee is charged each month on the first of the month for all days of the week.

Since we are closed the last two weeks of December, tuition is reduced by 25% for the month of December.

Tuition Discounts: Tuition discounts will be applied at the time the front office completes your registration.

Sibling Discount: 5% Off lesser tuition for second sibling; 10% Off lesser tuition for third sibling; 15% Off Lesser tuition for third sibling; and so on...

Multiple Class Discount: 45% off lesser tuition for second, third, etc class tuition.
